Hospice King-Aurora (HKA) regretfully announces the retirement of our Executive Director Sheila Darnowski R.N., effective June 6th, 2014. HKA has been exceptionally fortunate for the past two years to have Sheila guide the organization through many transitions. We look forward to her ongoing involvement as a volunteer where she will continue to share her expertise and knowledge.

The Board of Directors of Hospice King-Aurora is pleased to announce the appointment of Heidi Bonner to the full-time position of Executive Director, commencing May 26th 2014. She will also maintain her responsibilities for volunteer coordination and communications. Heidi has been with HKA since 2008 and we are delighted that she has accepted the position and look forward to working with her in this new role. We will miss Heidi's empathy and professionalism in coordinating the visiting and wellness programs, however this position will be filled on an interim basis by former coordinators Bonnie Selwood & Trish Seguin until a replacement is hired.

Sincerely

Margarete Carr

Chair, Board of Directors
