

Hope House is committed to the health, safety and well being of clients, volunteers, team members and our community. Staff are currently working off-site and are available via telephone, text and email during their regular work hours. Contact information for staff can be found on our website: [www.hopehousehospice.com/our-team](http://www.hopehousehospice.com/our-team)

Updated 2020-03-29

New referrals are being accepted and we continue to provide virtual care\* to those diagnosed with a life-threatening illness, family caregivers & those who are bereaved...
