

MONTHLY In-Person Wellness
at Hope House Richmond Hill

RESILIENT WRITERS

Being a resilient writer means giving a voice to the parts of yourself that may feel lost as a result of experiencing a bereavement, a serious illness or when adjusting to a change in caregiving roles.

We will explore and create a practice of self-inquiry & reflection through the use of writing prompts thus creating a space for deep listening and connection to your own thoughts and emotions.

Nicki, Coordinator of Wellness Programs
Lilly, Coordinator of Bereavement Programs*
